

## Exploring Fabindia: 2011-12

The Fabindia School (Senior Secondary) Bali

Affiliated to CBSE, New Delhi

Dear friends, this year Fabindia is officially celebrating its 20<sup>th</sup> birthday. Being one among the best English medium schools in the area, it has successfully entered into a new decade. The school has come a long way since its inception in 1992 from the first batch of 11 students; to almost 1000 students from pre-school to class XII with 40% female population.

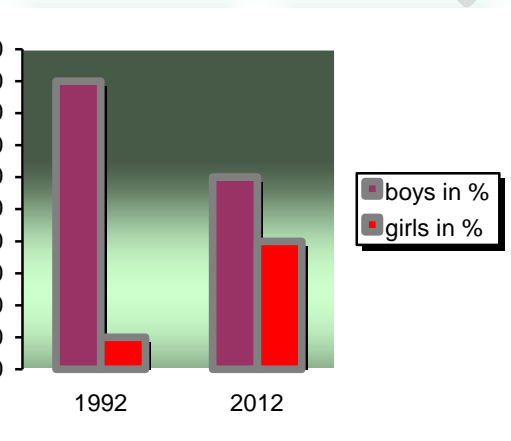

School back in 1992

In 1992, when the school started girls were given 50% subsidy to promote girls' education. In the recent years, we have seen a remarkable growth in thinking of the people who now are sending their daughters to school and thus we can clearly see that 40% of our total student body consists of girls who are eager to learn and achieve.

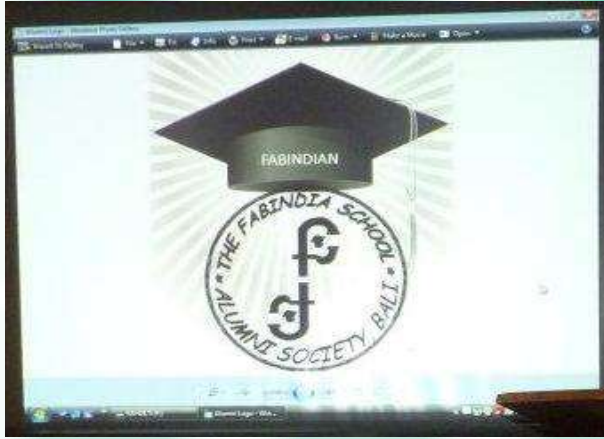

The school has been investing in infrastructure to accommodate the steady growth. From one block of four classrooms, today the school has six blocks of classrooms, a well-stocked library, a well equipped computer lab and an administrative block. The facilities also include introduction of new buses, wifi and solar array power.

Students interact with regular volunteer teams from abroad, where they are given opportunities to learn from the people of different countries. In year 2011 the school started summer programs and one semester

Female growth rate in percentage

*abroad programs in collaboration with two top schools in the US.*

Alumni Society logo

## Alumni society formed

January 2012-All students graduating from Fabindia can now stay connected to it for lifetime. This was made possible when Julia Sommer, former Fabindia volunteer teacher (1995-96) and some Ex Fabindia students decided to hold a reunion in January and thus an alumni society was formed.

## Prize distribution ceremony

*"Students' and teachers' when praised for their hard*

*Work and performance bring out even more better results"*

April 2012. The prize distribution ceremony that was to be held on 10 February 2012 along with the annual function took place on 13<sup>th</sup> April 2012. Selected students, faculty and Student Council were awarded for their outstanding performance for the year 2011-12.

## Fabindia at Loomis Chaffee

*"Empowering the girl child continues"*

September 2011. Fabindia's head rose with pride when two of its girl students were selected to Loomis Chaffee School in United States of America to spend six months abroad. This was made possible by the great connection brought from **Loomis to Fabindia** by Mr. Bissell who is an alumni of Loomis Chaffee and the great efforts of Principal Mrs. Ranpal. The two girls returned after six months of their stay on March 7 2012. The girls articulated their experience as a life changing experience made possible just because of Fabindia.

## Journey to Hotchkiss

*"Gaining name and fame across the world"*

June 2011. Two tenth graders marked their presence when they were selected to Hotchkiss Summer School in United States of America. They stayed in USA for a month from June 22 to July 23 2011. They pursued several experiments and did practical studies there. Their achievements made Fabindia and their parents proud.

The Handball Team

## West zone handball tournament

October 2011. This year a team of 11 players along with a teacher participated in west zone Handball tournament at the state level for the first time and secured fifth position among all twenty-five teams. The tournament lasted from 27 October 2011 to 2 November 2011. Before this, the team had already participated in several tournaments at the zonal level.

## Ambassadors visit fabindia

December 2011. Betty E. King US ambassador to United Nations, Geneva and Peter Burleigh US ambassador to India visited the school on December 31 2011.

Mr. William Bissell with the US ambassador

## Loomis Chaffee at Fabindia

"Relation continues. . ."

March 2012. After the visit of the two-fabindia girls to LC, sixteen LC students with two teachers visited India and fabindia school this march during their spring break. This was the second year when LC came to fabindia for community service. They helped the school build a proper drinking water system for the students. Their visit to India was for about two weeks where they spent a week in fabindia working with the children and on the project, they also played Holi and loved this Indian Festival Of colors.
